

CESA 8 Presents:

2020-21

Lean Fundamental 2-Day Training

Thursday, June 24, 2021

Friday, June 25, 2021

CESA 8 Office

(or virtual depending on pandemic restrictions)

9:00 AM – 3:00 PM Daily

Contribute to your organization's continuous improvement towards excellence with the CESA 8's *Lean Fundamentals* 2-day workshop.

In this discussion and action-oriented workshop, you will learn practical Lean fundamentals to incorporate into daily work. You will leave the workshop equipped with tools for improvement that can be put to use the next day in your organization.

Each of us serve others, whether we call them customers, clients, constituents, or students. *Lean* is about focusing on the experience and needs of those we serve to drive organizational operations towards delivering maximum value. *Lean* is a continuous improvement framework that promotes a constant state of re-evaluation by seeking ways to improve rather than to react to problems with quick fixes. A core value of *Lean* includes empowering every level of the organization to identify and implement improvement strategies.

CESA 8 invites the three drivers of community - Regional Businesses, Local Government, and Public Education for a two-day workshop on *Lean Fundamentals*. Our aim is to learn together so that individual organization improvements collectively contribute to community excellence!

Audience: Administrators, Managers, Directors, Department Heads, Principals, Associate-Principals, Leaders

Cost: \$200 for CESA 8-CIA Member School Districts. \$400 for all others.

Information: JoAnn Miller, jmiller@cesa8.org
