

Transforming the Math Classroom

July 29th or Aug. 17th, 2021 | 9 AM – 2:30 PM

This exciting workshop will focus on high-yield instructional practices that will immediately transform the math classroom into a learning atmosphere that promotes reasoning, deep thinking, and perseverance. Topics that will be addressed are high-impact instructional strategies, lesson plan design, and student discourse.

OBJECTIVES

Participants will:

- Learn how a focus on the Math Practice Standards, the Teaching Standards, lesson plan design, and using frequent feedback promote a deep understanding of mathematics and build an independent mathematician.

WHO SHOULD PARTICIPATE?

- Grades K-12 Teachers
- Math Coaches
- Instructional Leaders

PARTICIPANTS WILL NEED:

- Laptop or other device

PRESENTED BY:

Sara Fleischman,
Director

Kris Meffert,
Consultant

Nicole Esterling,
Consultant
