Language and Literacy Academy Summer 2021

The Language and Literacy Academy is a comprehensive literacy training for all educators who work with early readers, struggling readers, or English language learners.

This literacy acquisition bootcamp will focus on developing a research informed knowledge base and quality instruction in the key elements of an effective early reading and language program. Participants will gain an understanding of important milestones in language and literacy acquisition, while learning *what to teach* and *how to teach it*. The training will build capacity to teach within any core reading or intervention program to improve outcomes for all students.
