- CESA 6 Conference Center
2300 State Road 44, Oshkosh

DESCRIPTION

This professional development training is designed to provide a basic introduction into the roles and responsibilities of paraprofessionals in a school district. Paraprofessionals are often given limited resources and training for one of the most important jobs in a school district.

OBJECTIVES

During this workshop, we will cover topics (including):

- Confidentiality
- Communication with teachers and families
- Understanding special education and IEPs
- Dealing with conflict
- Understanding roles and responsibilities of a paraprofessional, and
- Basic behavior and academic strategies

Who should attend?

All special education paraprofessionals who will be working in early childhood through high schools.
