

SCHOOL SOCIAL WORK COLLABORATIVE SERIES

CESA 6

SAFE & HEALTHY SCHOOLS CENTER

2021 - 2022 SCHOOL YEAR

DESCRIPTION

This standard collaborative series is an opportunity for school Social Workers, both new and experienced, to learn from one another, build resources, and keep up to date on the latest evidence based programs and legal issues. School Social Workers provide the link between the school and community agencies especially as they relate to youth mental health challenges.

DATE	TOPIC
October 20, 2021 8:00 a.m. - 11:00 a.m.	School Social Worker Tools and Tricks. We will discuss which therapeutic tools (DBT, EMDR, CBT, etc.) are being used in the school setting and how to avoid stepping over the line into therapy.
December 10, 2021 8:00 a.m. - 11:00 a.m.	What is the role of the School Social Worker in your school setting? We will look at various roles the school social workers have in school districts and how to leverage your skills to support students and colleagues.
February 11, 2022 9:00 a.m. - 2:30 p.m.	Featuring special guest presenter Julie Incitti, DPI School Social Work Consultant
(This session meets the requirements of licensing for DLHR licensing and is excellent knowledge for any school social worker.)	Ethics and Boundaries: This session will focus on ethics and boundaries within a school setting. We will build a better understanding of case studies and legal issues around social work.
April 8, 2022 8:00 a.m. - 11:00 a.m.	What has 21-22 taught you as a school social worker? What are the issues you are working on in your role? What changes are needed? This session will focus on hot topics in school social work.

PARTICIPANTS WILL:

- Understand the best practice of school social work in Wisconsin
- Understand application of the laws typically addressed by school social workers to provide services to all children and youth.
- Understand the connection between schools and their communities for services for youth and children.
