SAFE & HEALTHY SCHOOLS CENTER

SCHOOL SOCIAL WORK COLLABORATIVE SERIES

2021 -2022 SCHOOL YEAR

DESCRIPTION

Ethics and Boundaries

Training provided by Julie Incitti, DPI School Social Work Consultant

Friday, February 11th

New Time! 9:00AM - 2:30PM

This session will focus on ethic and boundaries within a school setting. We will build better understanding of case studies and legal issues around social work. This session meets the requirements of licensing for DLHR licensing and is excellent knowledge for any school social worker.

PARTICIPANTS WILL

- Understand the best practice of school social work in Wisconsin
- Understand application of the laws typically address by school social workers to provide services to all children and youth
- Understand the connection between schools and their communities for services for youth and children
