New SciN Network Meetings 2021-22

November 18, 2021
9:00 AM 2:30 PM

February 9, 2022
9:00 AM 2:30 PM

March 30, 2022
9:00 AM 2:30 PM

CESA 8 Office
223 West Park Street
Gillett, WI 54124

At Each Meeting:

- Hands-on activity focusing on explicitly teaching/scaffolding Science and Engineering Practices (SEPs)
- Activities and discussions to dig deeper into developing student use of Crosscutting Concepts (CCC)
- Breakout sessions for life science, physical science, Earth, and space science collaboration
- Grade-level breakout sessions
- Sharing best practice
- Sharing materials
- Extending content learning

Instructor: JoAnn Miller, CESA 8

Cost: \$100 per person, per meeting, for CESA 8-CIA Member School Districts.
\$200 per person, per meeting, for all others.

Registration: myQuickReg.com

Planned Events and Resources:

Local business leaders who hire science majors discussing the type of work/careers available at different degree levels

Content learning with invited experts in life science, physical science, and Earth and space science

Update from the state science leader on current state policy and national trends
