

S100/S200 Tier 2 Secondary Systems Training

Presenter: Dave Kunelius, Regional Technical Assistance Coordinator—North Region

Objectives

S100 - Building a Tier 2/Secondary System—Creating a Seamless System of Support:

This session will help teams establish a seamless system of support for Tier 1/Universal to Tier 2/Secondary Levels of Intervention. Each team will learn how to use their Tier 1/Universal data to target groups of students in need of Tier 2/Secondary Levels of Support. A continuum of Tier 2/Secondary interventions to support the behavior of students who are not responding to Tier 1/Universal interventions and who are at-risk for behavior and academic failure, including those with disabilities will be covered. This training should be attended by building level secondary systems planning teams (building administrator, internal coach, special and general education teachers, social worker and/or psychologist, support staff, and family and community members) and Secondary/Tertiary District Coach.

S200—Formalizing Tier2/Secondary Systems, Data & Practices:

This session will help teams to create a continuum of Simple Tier 2/Secondary Interventions. Participants will learn how to implement Check-In/Check-Out, Social/Academic Instructional Groups and Mentoring (Check-N-Connect). This training should be attended by building level secondary systems planning teams.

Note: PBIS Tier 2 School Readiness Checklist should be completed and approved by a Regional Technical Assistance Coordinator before attending this training.
