

Transforming our Teaching Through Reading and Writing

Presenter: Regie Routman

About the Presenter:

Regie Routman's intimate knowledge of teaching and learning, down-to-earth style, and dedication to children's success have made her one of the most vibrant and respected names in literacy education. Her books, *Teaching Essentials*; *Writing Essentials*; *Reading Essentials*; *Conversations*; *Literacy at the Crossroads*; *Invitations*; *The Blue Pages*; and *Transitions*, all published by Heinemann, have encouraged hundreds of thousands of teachers to take charge of their professional learning and create efficient, joyful practices. Currently she is dedicating herself to a new, dynamic framework to support teachers' professional development. The DVD-based *Regie Routman in Residence* supports in-depth, yearlong literacy staff development that replicates the demonstration teaching she conducts in weeklong residencies and brings to life the practices she advocates in *Teaching Essentials*. Regie continues to inform and inspire teachers as a language arts coach in schools across the country, as a speaker at national conferences, and as a presenter of one-day workshops through Heinemann Professional Development.

Regie will address:

- developing a common vision
- building leadership from within
- developing powerful Professional Learning Communities
- improving reading and writing instruction by using the Optimal Learning Model
- the whole-part-whole strategy
- working collegially to answer the question, "What impact has my use of the 6 T's (time, texts, teach, talk, tasks, test) had on improving students as readers and/or writers.)"
- teaching joyfully—creating a balanced life.

Following the workshop, Regie will host a question and answer session for those interested in learning more about the Regie in Residence Program.
