

The CESA 6 Learning & Assessment Center

Looking ahead to 2013 - 2014

The CESA 6 Learning & Assessment Center is committed to strong professional development that is:

- Delivered via multiple access points: face to face, online, and customized in-district support (fee for service);
- Led by state experts in related content; and,
- Provided in a timely manner so as to proactively impart information and supports to districts as they prepare to meet accountability requirements.

Eric Larsen, M.A.
CESA 6 School Accountability Coordinator

Monthly On-line DPI Updates

Join Eric for monthly, online updates on what's happening at the national, state and regional levels.

Dates: September 18, 2013;

October 23; November 20;

December 18; January 29, 2014;

February 19; March 19; April 30;

May 21

Quarterly District Assessment Coordinator (DAC) Updates

Join Eric for quarterly DAC updates focused on essential training of DAC responsibilities.

Dates: October 15, 2013;

December 11; February 5, 2014; April 1

[Information on DAC responsibilities](#)

Accountability Support

The Learning and Assessment Center will help school districts navigate the new district and school report cards.

[WI DPI School Report Cards](#)

Common Core State Standards

Content experts will offer targeted professional development around CCSS. A critical focus on math at all levels will be provided.

[WI DPI Agenda 2017](#)

Next Generation Science Standards (NGSS)

Content experts will provide support for implementation of the NGSS. On-going coaching for K-12 science teachers and building principals will clarify the standards and implications for programming.

Data Systems Support

WISExplore 2013 Summer Data Retreats will be supported as part of district school improvement efforts throughout the 2013-2014 school year.

Assessment Supports

The Learning and Assessment Center will provide supports around assessment literacy and accountability concerns, including the Smarter Balanced Assessment System, the new ACT suite, progress monitoring tools (STAR, NWEA/MAPS, SRI, SMI and others) and SLOs.

Questions about these and other Learning and Assessment Center topics may be directed to:
