

Student Learning Objectives for Career and Technology Teachers

September 17, 2013, January Online, and April 24, 2014

Presenter: Cheryl Simonson and Cathy Clarksen
CESA 6 Effectiveness Project Trainers

Description

The goal of this professional development is to ensure participants are prepared to implement the Department of Public Instruction's Student Learning Objective process. This process provides accountability for learner performance while supporting instructional assignments of staff. SLOs require the use of data during the goal setting process to ensure rigorous, meaningful student growth and/or program outcomes.

Bring if you have...current goals you are considering and computer/tablets.

Student Learning Objectives

Workshop Objectives

Participants will:

- Write and review high quality SLOs.
- Learn how to assist others in the development of high quality SLOs.
- Learn how to be a team/peer SLOs evaluator.
- Understand the importance teachers' play in the SLOs process. For ed. specialist use—Understand how your program supports the school system within the SLOs process.

Who should attend?

Business, Agriculture, Family and Consumer Science, Technology, Etc.

***Note – one credit is available through Marian University**
