 1 N Main Street  
 Oshkosh, WI

# COMPREHENSIVE INTERVENTION MODEL (CIM)

## Workshop Description

The Comprehensive Intervention Model (CIM) summer institute is designed for educators who teach struggling readers. The Pre-Conference day will describe how schools can use the CIM as a Response to Intervention method. Day two and three will provide details for implementing Comprehension Focus groups along with the updates and alignment to the Common Core State Standards. Day four will focus on the addition of the Preparing for the Reading Phase for Guided Reading Plus groups with a heavy emphasis on teaching vocabulary. The institute is designed to assist school administrators, interventionist, Title one and Special Education teachers. This group can become the basis of the school's RtI literacy leadership team.

## Objectives

- Develop teachers' knowledge of how the Comprehensive Intervention Model (CIM) can be implemented in order to scaffold struggling students to reach grade level proficiency.
- Build teachers' knowledge of the alignment between the Comprehensive Model and the Common Core State Standards.
- Advance teachers' knowledge of how the Comprehensive Intervention Model (CIM) can be used as an RtI approach.

## Who Should Attend

Administrators, Literacy Leaders, Elementary and Middle School Intervention Teachers, Support Teachers, and School Teams.
