EPIC Check In

How does an EP district successfully end 2013-14 and begin planning for 2014-15? Participants will discuss successful EP implementation, timelines, and planning strategies as districts prepare to move into next school year.

Outcome Measures: Preparing for 2014-15

Participants will learn the latest and greatest state information regarding the outcome measures for accountability in 2014-15. How will the outcome measures shape professional development for next year? What do the outcome measures mean for MLP OASYS?

EPIC Support

The session is devoted to new EPICs that would like to work through specific Effectiveness Project questions/issues and engage in a network opportunity. Support will be available for MyLearningPlan OASYS or MyLearningPlan ELEVATE if needed.
