

Review of Post School Outcomes (PSO) and Transition Improvement Plan (TIP) Training

Date: Thursday, May 22, 2014

Time: 9:00 am – 3:30 pm (8:30 registration)

No Fee: Lunch provided by CESA 6 Regional Service Network

Where: CESA 6 – 2300 State Road 44, Oshkosh

Presenters: Mary Kampa, PSO Coordinator and/or Jenny Jacobs, PSO Outreach

Registration link: <http://www.wsti.org/event-details.html?id=1403>

Who Should Attend:

District teams composed of Special Education Teachers, Building Administrators, Transition Specialists, School Psychologists and other interested individuals will have the opportunity to work together through the Transition Improvement Plan process to determine classroom, building, or district areas of strength and then create a plan to address those areas that are in need of improvement to increase the success of students after they exit high school.

PSO - Indicator 14 – Post School Outcomes

- District post school data and reports will be shared.
- Individuals and school teams will gain an understanding of the activities in which district youth are engaged one year after high school.
- Participants will determine the areas in which exiters are finding success, and which areas can be improved.
- Participants will also learn about how to participate in an additional 90-minute interviewer training so the district can conduct their own outcomes survey.

TIP - The Transition Improvement Plan

- Is a new transition improvement planning tool for school personnel located on the WSTI website.
- Provides educators with lesson plans, activities, and research right at your fingertips!
- Guides individual users, school and/or district teams through an assessment and planning process using the Predictors of Post School Success resources and evidence-based practices.
