

CESA 6 Instructional Services and The CESA 6 Math Center Presents:

AVMR Course 1

Add+VantageMath Recovery™

Informed Assessment for Math Teaching

Monday, July 21— Thursday, July 24, 2014

Instructor: Jackie Amato

A math recovery leader, champion and intervention specialist, Jackie served on the US Math Recovery Council Board of Directors. Currently, Jackie is the district Math Coordinator and K-5 Math Coach for the Menasha Joint School District.

Course Description

Add+VantageMath Recovery™ (AVMR) Course 1 is a unique approach to professional development, assessment and teaching in mathematics. The AVMR program is designed to provide teachers with efficient and effective assessment tools to recognize their students' current understanding of number concepts, and to support data-driven instruction.

Course Objectives

- Learn to use effective assessments that reveal students' true conceptual understanding and level of proficiency with computation and number sense.
- Practice informed assessment techniques and develop processes for incorporating these practices into your instruction.
- Apply teaching strategies to guide development of mathematical reasoning.
- Utilize current resources to address learning needs of students.

Who should attend?

- Elementary Administrators, K-5 Teachers, Title I / Special Education Teachers

Note: Title I and/or Title II funds can be used for the registration fee for this training

Graduate Credit

Two graduate credits will be available for this course for \$100 through the University of Wyoming. If you will take advantage of the graduate credit option, sign up and payment for the graduate credits is required on Day 1 of the class, July 21st.
