

This event is presented by the CESA 6 Technology Solutions Center

# Flip or Blend Your Classroom

Tuesday, August 19, 2014 • 9 a.m. - 3:00 p.m.

Trainers: Kurt Wismer

### Description

Flipped (and blended) classrooms are proven to work. By moving the lecture to the homework, it allows for more one on one instruction, differentiated learning, and opportunity for student success. This training will provide you with the knowledge, skills and tools to carry out successful flipped (or blended) lessons and classes.

Attendees should bring curriculum or content that they would like to use to flip or blend as activities for the day.

### About the Trainer

Kurt is a Google Certified Teacher and Trainer. As a Business, Marketing and IT teacher at Shiocton School District, Kurt uses technology throughout his curriculum to create durable learning experiences for his students that are both rigorous and transformative as they prepare for their careers and continued education. Kurt is part of the technology team at Shiocton that has lead the school to a 1:1 environment and has provided considerable training and support in that initiative. Kurt is just finishing his master's degree at UW-Stout in Career and Technical Education.
