2:30—3 p.m. Question and Answer session

Presenter: Anne Pagel
CESA 6 Literacy Center Coordinator

Description:

The Comprehension Toolkit emphasizes active literacy—reading, writing, talking, listening and investigating. Teachers will discover how to use the *Toolkit* to develop these crucial comprehension skills. By exploring the resources teachers will learn how Stephanie Harvey and Anne Gouvis' model of instruction moves students toward strategic reading and deeper comprehension. The *Toolkit* course offers ways to make comprehension lessons explicit by using instructional strategies such as modeling, guided practice, collaborative practice, and independent practice.

Help students develop the inner conversations with texts that lead to real understanding.

Help teachers encourage their students with *The Comprehension Toolkit* professional support system.

***Participants need to bring the Comprehension Toolkit with them to the workshop.**
