

Online Teaching in K-12

When: September 24, 2014-November 11, 2014
Where: Online Course -delivery via Moodle **
Register: Registration and fees must be received by September 20, 2014
(or until class is Full)
Facilitator: Sharon Webb, Certified Online Facilitation Trainer

Brief Description:

The three phases of this online course explore:

- 1) Overview of online teaching
- 2) Current online teaching techniques
- 3) Putting it all together for effective application

**Optional 3 credits available
from Viterbo University**

Participants will explore online tools, resources, and videos. Topics addressed will include online learning, blended learning, virtual schools, rolling enrollment and flipped classroom techniques. Participants will create a roadmap for future use in creating an effective online course. Course activities address the needs and interests of K-12 educators.

- Time commitment: estimated 4-6 hours per week
- Assignments include readings, activities, discussion groups, and a practical project you can use in your work
- ISTE NETS Standards (for teachers): 1,2,3,4,5
- Wisconsin teaching standards: 1,4,7

****This course is delivered completely online using Moodle as the course learning management system.**

***Required Textbook: *"Making the Move to K-12 Online Teaching"*, Kerry Rice (may be purchased at Amazon.com)**
