This workshop is designed for second grade teachers, Title I teachers, Special Ed. teachers and others who will be administering Wisconsin's PALS screener that have not been trained. New first grade teachers or first grade teachers that want to review are also welcome.

Attendance at this workshop will help teachers become familiar with PALS and also provide time to complete the online professional development modules that are required by the DPI.

On August 28 Nancy Walsh-Boeder, from PALS Marketplace, will be joining us. She will cover PALS 1-3 Administration, Online Wizard Scoring and how to use the Online account. This information may be beneficial for teachers who used PALS last year but is necessary for teachers new to PALS this year.

September 29 is a repeat of August 28.

Participants will learn how to:

- Administer and score PALS
- Log into Wisconsin's PALS Online Resource Center
- Use the PALS online reports

**~ Please bring your PALS Kit & one laptop per teacher ~**

If completion of modules is done, headphones will be needed.
