Teachscape Reflect for Evaluators

October 1, 2014   10a-2p   @ CESA 8
This workshop is about the nuts and bolts of navigating the evaluation cycle with teacher and evaluator. Engage in the actual process with colleagues role playing through teacher and principal.

- Navigate the Reflect tool
- Develop a clear understanding of the 5 major content areas
- Engage in a mock evaluation cycle as teacher and principal
- Know and understand the 2014-15 workflow in Teachscape

Using Teachscape for on-Site, Differentiated PD (Learn)

October 13, 2014   10a-2p   @ CESA 8

Teachscape has a built in professional development tool, called Learn. Participants will explore the courses available in Learn, practice navigating through the system, and assign courses to themselves and others
