

Reaching Gifted Learners in the Regular Classroom: High Yield Strategies for Quality Tier 1 Instruction

Gifted learners, fueled by their intense curiosity and love of learning, have often challenged their teachers (and parents) to “stay on the cutting edge” of teaching and learning. In today’s standards-driven era, how can teachers motivate and challenge gifted learners and ensure that all students reach their potential—without major budget implications? Join Jackie Drummer as we explore how to reach gifted learners in the regular classroom. We will be referencing the Cluster Grouping Handbook: A Schoolwide Model: How to Challenge Gifted Students and Improve Achievement for All. Come prepared to think, to wonder, to create, to have fun – and to energize your teaching.

Who should attend:

Teachers and administrations of gifted and talented students in grades 4-12. This workshop is perfect for those teachers needing strategies for improving student learning for SwGT.

Seminar Date/Time/Location:

Part I - October 3, 2014
Part II – March 6, 2015
8:30 a.m. to 3:30 p.m.
CESA 5

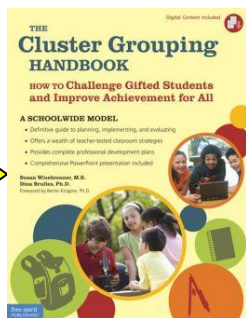

Register at
www.myquickreg.com

Cost:

\$100 for CESA 5 Student Achievement Consortium Members

Seminar Presenter:

Jackie Drummer, Gifted and Talented Coordinator and Differentiation Specialist
School District of South Milwaukee

Jackie holds a Bachelor of Arts Degree from Carthage College and a Master of Science Degree from the University of Wisconsin-Milwaukee. Both degrees are in Exceptional Education. Jackie is the past-President of the Wisconsin Association for Talented and Gifted (WATG), and teaches for Cardinal Stritch University, Silver Lake College and Carthage College. She “stays real” by teaching classes at the middle school and elementary school levels, and co-teaches at the high school level. In her spare time, she can be found writing children’s books, traveling extensively, and making beautiful music with the Milwaukee Symphony Orchestra

626 E. Slifer Street
Portage, Wisconsin
