

Principal Networking

Connect and Create

Connect and Create with Missy

Melissa Emiler joins CESA 3, and she brings a strong understanding of digital leadership tools. During this meeting, you will have the opportunity to explore the tools that will help you each month. We will explore DPI's Monthly Playbook for School Improvement in addition to reviewing options to digitize your daily and weekly routines which will enhance your productivity. You will be exposed to options for Friday Focus emails and building newsletters. You will also examine various social media spaces that will improve your communication efforts with students, staff, families, and community members.
