FOCUS ON FRACTIONS

MONDAY, FEBRUARY 9, 2015

9:00 A.M. – 3:00 P.M.

REGISTRATION STARTS AT 8:30 A.M.

CESA #4

NCOOKSEY@CESA4.K12.WI.US

This workshop is targeted to elementary teachers of mathematics or mathematics interventionists for grades K-6 and administrators. Objectives of the workshop:

- Explore and dissect the progressions document for Fractions Domain to see how they develop from K - 6
- Practice various representations and models such as number lines, bar models, and other strategies
- Hands on time with Cuisenaire rods to build a better understanding of the unit fraction
- Ground our day in research on best practices for fraction instruction
- Build students' conceptual understanding of fractions

Free for teachers and friends of Title I
Network Funds receiving schools
