Annual Technology and Engineering In-service Professional Development for Teachers

The Department of Public Instruction, CESA Agencies, and Wisconsin Technology Education Association are partnering for these professional development events.

This year the in-service meetings will include the following:

- Technology and Engineering Standards
- College and Career Readiness
- Work-based Learning
- Educator Effectiveness
- Registered Apprenticeship
- SkillsUSA

***There is no registration fee for these events.**

***Please RSVP to Brent.**

***Please bring lunch money in case a lunch sponsor cannot be found.**

Agenda

8:30am Registration

8:45am Welcome and Introductions

9:00am Session #1

TEE Standards Working Session

Please bring a couple of your lesson plans with you. In this session, we will be working with our newly adopted TEE standards and working with your lesson plan(s). We will also be taking a close look at the Common Career Technical Standards and how they relate to your lessons and students. If we get a few completed lessons, we might be able to share and put on the WTEA website for others to use.

10:15am Break

10:25am Session #2

TEE Program Updates and News

We will discuss new trends and current news in technology and engineering education. Some items to be discussed are; SkillsUSA updates, work-based learning, Act 59, TEE data, equivalency credit for TEE courses, academic and career plans, etc.

In this session, we will also devote some time to talking about SLOs and resources available. We will preview resources you might or might not be utilizing. It would be great if you could bring examples of your SLOs to share with colleagues.

Noon Lunch

Lunch will be on your own.

1:30pm Session #3

Branding Your Program

We will discuss strategies and ways you can brand and advocate your program using data to show your communities the positive impact you are having in your classroom. We will use Carl Perkins CTEERS data as our primary source and will incorporate other ideas.

3:30pm Adjourn

SkillsUSA: Champions at Work

50 Years of Champions at Work

**Learning that works
for Wisconsin**

**WTEA – ITEEA Joint
Conference is March 25-28,
2015 – Milwaukee, WI**
