

Title I Teachers and Friends: Purposeful Data in Title I Instruction

Thursday
April 16, 2015

Roll up your sleeves to dig into data sources and data strategies that inform Title I services in mathematics and reading.

Register on
MyQuickReg.com

Cost: FREE to Title I fund receiving schools.
All others: \$150 per person

All teachers welcome.
8:30 Registration
9:00-3:00 Workshop

CESA #4
923 E. Garland Street
West Salem, WI 54669

Participants will:

- Frame an understanding of assessment in WI
- Answer what does Title I require for data?
- Discuss methods for sorting, warehousing, and using data for instruction
- Learn essential questions to consider when collaborating around data
- Dig into your own data sources to ask and answer questions about student growth
- Determine data sources from multiple types of assessments
