NGSS NGSS NGSS

Want to learn more about the Next Generation Science Standards (NGSS)? Spend a day with us as we dig into the

- **Standard's design,**
- **the Science and Engineering Practices,**
- **Disciplinary Core Ideas**
- **Crosscutting concepts**
- **Connections to ELA and Math standards**

We will also work with several examples of activities and lesson and compare and contrast the NGSS with Wisconsin's current science standards.

Registration: 8:30 a.m.
Workshop: 9:00 – 3:00 p.m.
Light Breakfast, Lunch, and Materials provided
