

Technical Assistance and Support for Systems Integration

Regional Technical Assistance Coordinators

[Linda Stead, Kent Smith, Milaney Leverson, Jill Koenitzer, Kao Moua Her]

Interactive sessions designed for districts and schools to enhance, sustain and integrate their behavioral and academic multi-level systems of support

Description:

An enduring multi-level system of supports for ALL students requires planning with a framework in mind. Wisconsin RtI Center and Wisconsin PBIS Network regional technical assistance coordinators will facilitate a series of interactive half-day sessions around integrating behavioral and academic systems of support.

Topics can include:

- ◆ System Assessments and Tools
- ◆ Culturally Responsive Practices
- ◆ Secondary School Implementation
- ◆ Family Engagement & Partnerships
- ◆ Classroom Management
- ◆ Supports for Students with Disabilities
- ◆ Screening Processes
- ◆ School Culture & Buy-In

Who Should Attend:

RtI Coordinators, Internal and External PBIS Coaches, Additional School staff are welcome to attend depending on topics.

Outcomes:

- ◆ Schools will receive technical assistance around core components of a Culturally Responsive Multi-Level System of Support
- ◆ Schools will use their data in an integrated fashion and establish next steps and action planning
 - ◆ Review their systems by using student outcome data and implementation data
 - ◆ Learn strategies to support underserved populations (SWD, Cultural and Linguistic minorities, etc.)
- ◆ Establish an inter-schools support system and a community of practitioners
