

CESA #4 Presents.....

# Visual Supports with Make and Take Resources

**December 4, 2014**

**9:00—3:00**

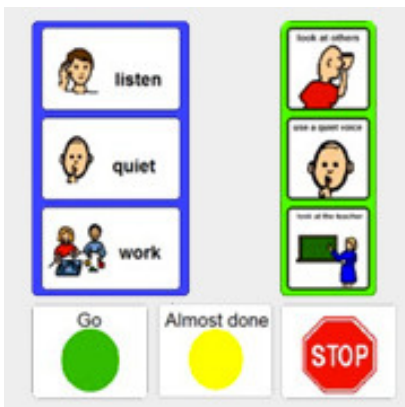

**(Registration @ 8:30)**

**Workshop Cost: \$150 or  
\$100 for Flagship  
Partners**

This is a hands-on training for those who need to brush up on their familiarity with the unique features of Boardmaker and other visual resources. Learn to create picture prompts, schedules, device overlays, calendars, communication boards and more.

We will explore web-based sources that will save you time and energy in lesson development.

Visual Supports are considered one of the most effective evidence-based practices that teachers can use for their students.
