

CESA #4 New WI Assessment Network

IMPLEMENTATION SUPPORT

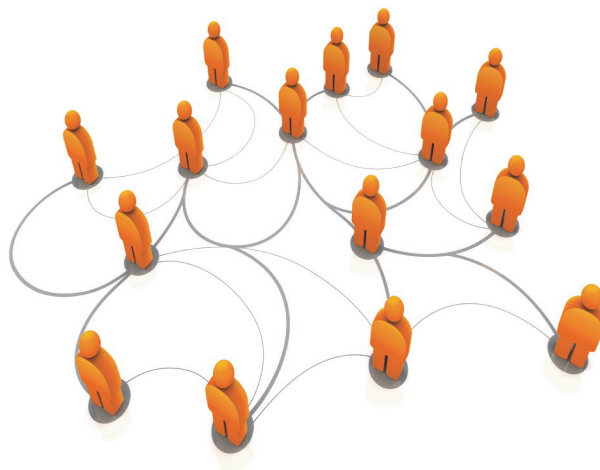

Create a network of individuals who are facing the same challenges with launching new assessments. Use this network to share strategies, resources, and insights.

ACCESS TO INFORMATION

Use your network to stay apprised of updates and evolving resources.

GET STARTED—THEN GET BETTER

Learn what other districts are doing to prepare for the new assessments. Use the power of the group to identify lessons-learned for a smoother test cycle the next time around.

- **Aimed at Test and Technology Coordinators**
- Meet, network and problem-solve with others leading the new WI Assessment Suite rollout:
 - * Aspire
 - * Smarter
 - * Dynamic Learning Maps
 - * ACT
 - * WorkKeys
- Each half day will feature group-specific network time to discuss important issues and topics
- CESA #4 Staff will share information and resources

The purpose of this networking group will be to provide support for Test Coordinators and Technology Coordinators who are charged with launching Aspire, Dynamic Learning Maps, Smarter, WorkKeys, and ACT. Each half-day event will begin in role-specific network groups and will end as a large group or with team time. This is an opportunity to share the great work you are doing, highlight problems you have solved, and ask questions of others. While CESA #4 staff may share information and resources, this is really intended as an opportunity to build a robust network of individuals who are all charged with the same work back in their individual districts.

November 7th	12:30—3:00
January 9th	9:00—12:00
February 6th	9:00—11:30
March 6th	9:00—12:00
May 5th	12:30—3:00

These events are offered at no charge to participants from SIS member districts (Arcadia, Bangor, Black River Falls, Blair-Taylor, Cashton, CFC, De Soto, GET, Holmen, La Crosse, N-O-W, Onalaska, Sparta, Tomah, Viroqua, Westby, West Salem, Whitehall, Wonewoc), \$50/event for nonSIS districts, and \$75/event for those not affiliated with a CESA #4 School District. All will be held at CESA #4.

~ Preregistration is required on myquickreg ~
