**Crisis Prevention and Preparedness:
 Comprehensive School Safety Planning**

Schools play a critical role in meeting the needs of students, staff, families and often the local community during times of crisis. PREPaRE is the **only** comprehensive curriculum developed by school-based professionals with firsthand experience and formal training. The curriculum builds on existing personnel, resources, and programs; provides for sustainability; and can be adapted to individual school needs and size. The PREPaRE curriculum has been developed by the National Association of School Psychologists (NASP). For more information: <http://www.nasponline.org/prepare/index.aspx>

■ **WORKSHOP 1 (one-day) Focuses on Crisis Planning**

- Provides a broad overview of the school safety and crisis team's roles and responsibilities, with a special emphasis on crisis prevention and preparedness
- Demonstrates an overall checklist of needs for environmental and psychological safety
- Target audience: any school professional or community provider/agency who serves on crisis team and/or is involved in establishing/promoting school safety

■ **WORKSHOP 2 (two-day) Focuses on Crisis Intervention/Recovery**

- Provides a specific examination of the school-based mental health professionals' roles and responsibilities, with a special emphasis on crisis intervention/recovery
- Teach participants how to prevent, prepare, and respond to psychological trauma.
- Target audience: Pupil services staff, school-based mental health professionals, community providers who will provide crisis intervention and recovery services

Cost (payable to CESA #4)

WORKSHOP 1 (one-day): \$25/person

WORKSHOP 2 (two-day): \$50/person Must attend both days of the two-day workshop. Includes lunch, refreshments, materials.
