

PDP REVIEWER TRAINING

This training is for Professional Educators seeking certification for PDP team reviewing.

This training is two weeks of consecutive online module work and 1 half-day face-to-face training upon the conclusion of the two weeks. Participants **MUST** complete all of the required components to receive their certification.

Participants must be a professional educator for the certification they are seeking. (You cannot currently have an Initial Educator License)

This training is for participants who have never been trained as a PDP Reviewer. We will be contacting educators who have been previously trained regarding an on-line certification process as soon as we know more.
