College Preparatory Mathematics (CPM) Veteran's Sharesop

This networking opportunity is for teachers who have been using College Preparatory Mathematics (CPM) materials at any level 6-12. Lorna Vazquez, CPM contributing author and CPM teacher leader, will begin the day with an overview of what's new with CPM. The remainder of the day will be structured for sharing ideas across districts, answering questions and concerns, and exploring technology components of the program. Please come prepared with your ideas, questions, and resources!
