

# Early Childhood Special Education Data Dig

CESA 10, 725 W Park Ave, Chippewa Falls, WI

Thursday, April 23, 2015

12:00-4:00 pm

Please bring a laptop or tablet with a USB drive.

## Data Dig Objectives

### Participants will:

1. Review Indicator 6: Preschool Environments and Indicator 7: Child Outcomes data for accuracy.
2. Compare individual district data to statewide data, state targets, etc.
3. Use data to examine current inclusion practices and consider potential changes in practice.
4. Review Indicator 7 Progress Categories and compare progress by factors such as disability, race/ethnicity, etc.
5. Identify potential action steps for improving accuracy in data and improving practices related to inclusive preschool environment and improved outcomes for children.

To Register: Online registration through [MyQuickReg](#).

Registration Deadline: April 9, 2015

*Thank you for registering by this deadline to ensure adequate time to prepare your district data.*
