

Project Lead the Way Grant Meeting

When: February 23, 2015
Where: CESA 6
2300 Hwy 44 Oshkosh WI 54904
Time: 9:00-Noon
Fee: No cost to participate

Project Lead the Way (PLTW) is pleased to announce new grant funding available to schools made possible by support from the Bemis Corporation. Schools that are interested in learning more about the grant process and implementation should plan to attend. The grant is intended to assist schools that are interested in implementing one of the following Project Lead The Way programs at the during the 2015-2016 school year.

- PLTW Engineering
- PLTW Computer Science
- PLTW Gateway (Middle School)
- PLTW Launch (Elementary)

During this meeting participants will gain specific insight into the competitive grant application and completion process. Greg Quam, Director of School Engagement for Wisconsin will be available to answer questions regarding program requirements and strategies for developing a K-12 STEM vision for schools.
