

WISExplore Data Retreat

WISEdash and the new assessment reports (Badger 3-8, DLM, ACT Aspire, ACT+Writing, and WorkKeys) provide educators with opportunities for enhanced data analysis. Bring your school leadership team to this 2-day workshop and learn how to analyze test results using the updated WISExplore data inquiry process. The achievement of all students will be examined, with an emphasis on achievement gaps with subgroups. Test results from the following assessments will be investigated:
