

STAR Workshop

Strategies for Teaching Based on Autism Research

July 28-29, 2015
8:30 am - 3:30 pm
Bloomer Middle School
600 Jackson Street, Bloomer, WI

STAR Workshop Content

- ★ The instructional methods of discrete trial training, pivotal response training, teaching functional routines, and positive behavior interventions and supports form the instructional base of this comprehensive program. Participants receive examples of STAR Program lesson plans at each instructional level in order to practice their skills in implementing the program.
- ★ Learn the STAR Program’s curriculum content
- ★ Watch video and demonstrations of the three instructional methods in the STAR Program

What You Will Learn

- ★ Developmental curriculum content appropriate for students with ASD and other developmental disabilities
- ★ Curriculum-based assessment techniques for baseline and progress monitoring
- ★ To use Applied Behavior Analysis (ABA) to teach new skills
- ★ To teach students with ASD to be independent and to generalize skills within their daily routines

What You Will Receive

- ★ Extensive handouts
- ★ A certificate for 12 hours continuing education credit

Cost

\$50.00 for CESA 10 CSPD member school districts*; \$150.00 to non-member districts. Price includes handouts, a Certificate of Attendance, continental breakfast and lunch both days. There will be a \$75 stipend for staff from CSPD member school districts*. You must attend both days to receive the stipend. We will be offering one graduate credit through St. Mary’s University.

To register, contact Shari Owen at sowen@cesa10.k12.wi.us or by phone at 715-720-2060. You can also register via the MyQuickReg (<http://www.myquickreg.com>).

Registration is limited to 30. Registration deadline is July 17, 2015.
