

Personalized Learning

School Improvement Services - CESA 5

August 10 9:00am-2:00pm

CESA 5, 626 E. Slifer St., Portage

Is your district considering implementing *Personalized Learning Plans*?

CESA 5 will be hosting an event geared for administrators and teachers that are looking to implement personalized learning plans.

The day will include three guest speakers with experiences in multiple perspectives of personalized learning:

Brian Grove, Director of Curriculum and Instruction, WI Dells School District

Early stages and “first steps” of looking to move a district toward personalized learning.

Jon Tanner, Technology Director, Oregon, WI School District

Rolling out Personalized Learning in a school district.

Dawna Wright, Lead Teacher, Rome Corners Intermediate School, Oregon, WI

Teaching in a personalized learning environment. Successes, challenges and planning ahead.

The last part of the day will be a software presentation by a company specializing in Personalized Learning: **Learning Tree**. Their product takes *your* goals/standards and maps them with pathways and appropriate linkages, while providing guidance and measurement as your students work toward their individualized goals.

Please register by Monday, August 3, 2015

Who Should Attend:

Administrators and “teacher teams” looking to plan for and implement personalized learning.
