- ✓ *Articulation Process Overview: Deb Hether, Western Technical College*
- ✓ *WorkKeys results: Where to find them and how to use them. Participants will need access to WISEdash Secure for their district.*
- ✓ *Technical Excellence Scholarship: Please bring a copy of your guidance for selecting the CTE recipient in your district.*
- ✓ *Alternative Licensing for CTE program:*
Guest speaker: Tammy Huth, DPI Director of Teacher Educator, Professional Development and Licensing
- ✓ *Guidance for 15-16 Perkins Expenditures:*
 - ACP and Perkins*
 - Equipment*
 - Changes for the future*
- ✓ *Educator Effectiveness Q & A*

11:30 *Lunch for all*

12:00 *NC3T Webinar - Pathways* :- We will be joining **NC3T President, Hans Meeder**, for an exciting webinar at this time. Hans will offer a preview of his new book, *The Power and Promise of Pathways* as well as an overview of NC3T's Pathways System Framework. This is an ideal opportunity to gain clarity and identify next steps in developing or strengthening your pathways system and Programs of Study. We'll follow up with a local discussion on the need for local education on Pathways, Programs of Study and connections between districts.

Those not in the Perkins Consortium will be free to leave at this time.

1:30 *CESA #4 Perkins Consortium Meeting*

- *P15-16 Perkins Application, guidance and expenditures*
- *16-17 Application - introduction of plans for local district*
Google access to Perkins documentation, forms and guidance
- *Q & A*

2:30 *Adjourn*

Fee to attend is \$75 for participants from Alma, Viroqua and Wonewoc-Center. All others are free through the Perkins Consortium and/or the CTE Leadership Service.
