## Learn the Ropes...

**Who Should Attend:** Educators who have their goal approved and have implemented their PDP after at least one year

Participants will learn the process and procedures to complete the PDP documenting evidence of professional growth and the effect of that growth on student learning.

### Contents of this workshop include:

- Overview of procedures for documenting completion of the PDP
- Selecting evidence
- Navigating the change process through evidence of growth
- Articulating the results of growth on student learning
- Describing change related to the professional standards
- Following procedures for labeling and describing evidence
- Completing the summary and reflection
- Ensuring all components are completed

**Presenter:** Kathy Larson, Professional Development Consultant with Emphasis on PI 34 and Professional Growth. Kathy has concentrated her efforts on researching and developing learning opportunities that increase performance of organizations and the people who work within them. Her group facilitation skills have been sought by a wide variety of public and private organizations seeking to create healthy climates that merge the gifts, talents and abilities of all people in the system.
