

Does your PLC need a facelift?
Have PLC members come and gone
over the past few years?
Do your meetings feel and sound more
like parking lot meetings and less like
Professional Learning Communities?
Maybe it's time:

Revitalizing and Refocusing Your PLC

Come for a day of learning new best practices and research to refocus your Professional Learning Community. Whether you are a veteran on your PLC team or the new kid on the block, this workshop is for you.
