

CESA #4 STEM NETWORK

TEACHING MATHEMATICS AND SCIENCE THROUGH TECHNOLOGY

DO YOU TEACH NEAR TECHNOLOGY OR WITH TECHNOLOGY?

Join us for a day of learning as we explore how technology can help deliver more engaging and effective lessons in mathematics and science! Topics for the day include:

Preparing Teachers to Use Instructional Technology Effectively

Teaching near technology vs. teaching with technology

The Role of Technology as an Organizing Instructional Theme

Investigating the Use of Emerging Technologies in the Teaching of Mathematics and Science

Using _____ as a Tool to Teach Mathematics and Science

Examples include: DESMOS, GEOGEBRA, Spheros and more!

Graduate credit through Viterbo University available upon receipt of additional registration form and tuition payment of \$200.00 the day of the workshop.
