Are you Hearing a “buzz” about Personalized Learning? Do you Want to know more?

Please Join us at CESA #9 for our 2015 spring Boot Camp on Personalized learning. This workshop will introduce you to personalized learning and help you understand:

- Why Personalized Learning matters
- What personalized learning is-what personalized learning can look like
- What the research and results behind personalized learning are
- Strategies to personalize learning for students
- How to get and stay connected to other educators “working on the work” of personalized learning in our region of the state

This “basic training” will be facilitated by Archie Barribeau, Director of Technology and Digital Learning

**DESIGNED FOR TEACHERS,
PRINCIPALS, SUPERINTENDENTS &
OTHER DISTRICT LEADERS**
