

Personalized Learning Action Network

Seminar #1 (13389)

Professional Learning Focus for the Day:

Tools for Collaboration and Scale Up

Facilitated by Archie Barribeau, abarribeau@cesa9.org

November 12, 2015

9:00am—3:30pm

CESA 9 Office, Tomahawk

This seminar is designed for educators engaging in the work of personalized learning. This seminar will focus on:

- Network Sharing – successes, challenges, and local next steps
- Site visits & other learning opportunities
- Blended learning models & the connection to personalized learning
- Tools for collaboration and scale up
- Network needs and next steps

*It is recommended that seminar participants have background knowledge on personalized learning through participation in the Personalized Learning Action Network in 2014-15, participation in a CESA 9 Boot Camp, or participation in an alternate local training/orientation

Cost: \$50/person for each of the three seminars OR

\$120/person for all three if you register for each by

November 3, 2015 (lunch and materials are included)

Register here by November 3: <http://bit.ly/1Lnng20>
