## Annual Technology and Engineering In-service Professional Development for Teachers

The Department of Public Instruction, CESA Agencies, and Wisconsin Technology Education Association are partnering for these professional development events.

This year the in-service meetings will include the following:

- Technology and Engineering Standards
- College and Career Readiness
- Work-based Learning
- Educator Effectiveness
- Registered Apprenticeship
- SkillsUSA

**\*There is no registration fee for these events.**

**\*Please RSVP to Brent.**

**\*Please bring lunch money in case a lunch sponsor cannot be found.**

### Agenda

**8:30am Registration**

**8:45am Welcome and Introductions**

**9:00am Session #1**

**TEE Program Updates and News**

We will discuss new trends and current news in technology and engineering education. Some items to be discussed are; SkillsUSA updates, CTE Incentive Grants, Licensing, Carl Perkins, equivalency credit, etc.

In this session we will also be discussing Academic and Career Plans (ACP) and how you and your programs fit into this legislative mandate.

**10:15am Break**

**10:25am Session #2**

**Career and College Readiness through Technology and Engineering** (*working/sharing session*)

In this session we will focus what makes a quality TE program, share examples for what has been working in programs from around Wisconsin, and share some of the great ideas you have.

We will focus on partnerships, but also review the 10 components of a quality program of study.

**Noon Lunch**

Lunch will be on your own.

**1:30pm Session #3**

**Branding Your Program**

We will discuss strategies and ways you can brand and advocate your program using data to show your communities the positive impact you are having in your classroom. We will use Carl Perkins CTEERS data as our primary source and will incorporate other ideas.

**3:30pm Adjourn**

**SkillsUSA: Champions at Work**

**Connecting you to Career Success**

**WTEA – ITEEA Joint  
Conference is February 25-  
26, 2016 – Wisconsin Dells**
