

# Title I Teacher and Friends Series: Developing Number Sense through Activities and Number Talks

**Monday March 7, 2016**

(pre-registration and light breakfast from 8:30–9:00)

**Free to CESA 4 schools receiving Title I funds**

Nicole Cooksey  
608-786-4833

Laura Veglahn  
608-786-4814

Objectives for the day:

- Define number sense and determine how to assess for it
- Determine the difference between computational fluency and automaticity
- Understand the progression of computational strategies in K-2 and 3–5
- Practice number talks and plan for instruction
