

2015-2016 Child Outcomes PD – Participant Pre-Training Email

Dear Child Outcomes PD Participant,

Thank you for registering for the upcoming Child Outcomes Professional Development day on **November 11, 2015** at **CESA 6, Oshkosh**. This email has information to help you prepare for this day.

1. First, we are asking that you view two brief online modules – prior to the training. The first module is “So What’s This All About” - <http://olms.cte.jhu.edu/olms2/435701> This module was developed nationally by the Early Childhood Technical Assistance Center and has additional activities available to support your understanding in sections entitled Set Up, Just For Me, Assessment, Wrap Up. Please feel free to do the additional activities if you choose.

The second module is “Assessment in Early Childhood Settings”

<http://www.collaboratingpartners.com/disabilities-indicators-3-7/player.html> This module reviews foundations of assessment and will help to have a common language with others as we discuss functional assessment during the Child Outcomes PD.

2. The handouts for the day are available at this link: <http://www.collaboratingpartners.com/EC-indicator-training.php> You are welcome to print them and bring them along, or view them online during the day. We will provide a copy of the power point handout on the day of the training.
3. Hours of the training are 9:00 – 3:30 and we greatly appreciate it if you make arrangements to participate in the whole day. Lunch will be provided.

If you have any questions or concerns please email or call Gail Cismoski, CESA 6
920-236-0588 gcismoski@cesa6.org

Thank You.
