* **NOTE:** It's recommended that B-3 personnel attend one of these sessions which will be co-facilitated by B-3 staff.

Description:

This professional development opportunity is for all early childhood special education professionals who are responsible for gathering information on a child's functioning and/or rating a child for Birth-3 Indicator 3 or Early Childhood Special Education (3-5) Indicator 7. Participants will have the opportunity to experience each step in the child outcomes summary process and also discuss how outcomes work can be integrated in the IFSP or IEP process.
