

DL in My Backyard-- **Part II**

Digging deeper into professional collaboration, study, and specific strategies to support disciplinary literacy in your WI classroom.

Monday, April 4, 2016

Presented by CESA #4 in partnership with WI DPI
Literacy Consultant, Laura Adams

Register on [MyQuickReg](#)

Cost: 50\$ individual or District Team of 3 for \$125

Audience: All content area educators: Science, FACE, CTE, Mathematics, Social Studies, Physical Education, Music, Art.

Participants will:

Leave with concrete *literacy strategies* informed by content area standards like science, social studies and environmental ed, etc.

Connect with and explore resource for finding texts to meet and exceed the standards.

Examine the integrated nature of literacy and the impact on content area learning

Learn how high leverage texts can help instruction to meet standards in a variety of content areas.
