

Close Reading for Informational and Visual Texts

Friday, December 4, 2015

Workshop 9:00-3:00

Registration 8:30

Featured workshop in CESA #4's Disciplinary Literacy Workshop Series for 2015-2016

Calling all 6-12 educators interested in honing instructional practices for informational texts!

Objectives:

- ❑ Shape an understanding of *text* and *reading* in your content area
- ❑ Determine which texts are worthy of close, analytic reading
- ❑ Understand content-specific and technical types of reading & strategies for helping students read them!
- ❑ Learn with *state* and *national* resources
- ❑ Practice instructional routines for introducing, modeling and guiding learners for *deep content understanding*
- ❑ *Plan for* close reading *lessons* with the texts specific to your content area

Register at <http://login.myquickreg.com/event/event.cfm?eventid=14103>

Workshop cost: \$150 per person

Questions: Laura Veglahn, lveglahn@cesa4.org
