Description

This series covers 3 key areas in Classroom Management and is aligned with PBIS.

Audience

Classroom teachers, especially new teachers and those that would like to refine their classroom management as part of their Educator Effectiveness professional development plan.

Other Requirements

- Each participant will need to bring a laptop that is Microsoft Office compatible
- One coach may accompany more than 1 teacher, but each teacher that attends must come with a coach who will assist with implementation at the school site.

Module 1 Rules & Routines (Day 1)

Create classroom rules, procedures, attention signals and lesson plans

Module 2 Acknowledgement Systems (Day 2)

Learn how to give specific, positive feedback and how to increase rate of acknowledgment; and create classroom acknowledgment systems

Module 3 Consequence Systems (Day 3)

Learn the elements of the consequence continuum, including planned ignoring; how to redirect; the ABC's of behavior; and developing a minor system. Learn the elements of the consequence continuum, including planned ignoring, how to redirect, defusing power struggles, the influence of implicit bias during vulnerable decision points, ABC's of behavior and developing a minor system.
